SERENITY PRAYER

"God grant me the

Serenity to accept the things I cannot change, the

Courage to change the things I can, and the

Wisdom to know the difference."

IMPORTANT DISCLAIMER ABOUT THIS DIRECTORY

As embodied in the 4th Tradition, the formation and operation of an A.A. group resides exclusively within the group conscience of its members. While hopefully, every A.A. group adheres closely to the guiding principles of the 12 Steps and 12 Traditions, West Central Intergroup neither monitors nor oversees the activities or practice of any A.A. group. Meetings listed in our directory or website appear at their own request after a minimum of 3 months from their inception. An A.A. meeting listing does not constitute or imply approval or endorsement of any group's approach to, or practice of, the A.A. program by West Central Intergroup.

This list is confidential for persons needing to find AA and is not to be used for any other purpose.

(O)"OPEN" MEETINGS: The letter (O) indicates a meeting which anyone interested in the AA program may attend. At open meetings, speakers who are recovering alcoholics tell their own personal story of what they were like as practicing alcoholics and how they recovered through the AA program. Visitors and friends are expected to respect the anonymity of all the persons they see or meet at these meetings.

(C)"CLOSED" MEETINGS: The letter (C) indicates a meeting for alcoholics only. The purpose of a closed meeting is to discuss the AA program of recovery and give individual members the opportunity to ask questions and express themselves more freely as well as benefit from the experience, strength and hope of others.

THE 12 TRADITIONS

1. Our common welfare should come first; personal recovery depends upon AA unity.
2. For our group purpose there is but one ultimate authority - a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for AA membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or AA as a whole.
5. Each group has but one primary purpose - to carry its message to the alcoholic who still suffers.
6. An AA group ought never endorse, finance, or lend the AA name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
7. Every AA group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. AA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the AA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

THE 12 STEPS

1. We admitted we were powerless over alcohol - that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics and to practice these principles in all our affairs.
